DeepMeltinChoc

MADE IN ITALY

Scioglitore a secco pensato per le gelaterie, grazie alla sua forma e dimensione è ideale per coperture in cioccolato di gelati e semifreddi su stecco. Presentato con colorazione classica, che ricorda i toni del cioccolato, per adattarsi ad ogni tipologia di arredo e per essere utilizzato direttamente sul banco. Le caratteristiche tecniche degli scioglitori analogici, il termostato che consente di regolare la temperatura e la vasca estraibile in alluminio anodizzato, per una più facile pulizia fanno DEEP-MELTINCHOC un articolo essenziale.

Dry melter designed for ice cream parlours, thanks to its shape and size it is ideal for chocolate coatings of ice creams and semifreddi on sticks. Presented with the classical colour that reminds you of chocolate, to adapt to any type of environment and to be used straight on the counter. The technical characteristics of analogue melters, the thermostat that allows to adjust temperature and the extractable tray in anodized aluminium (to make cleaning easier), make DEEP-MELTINCHOC an essential item.

ELEGANT

CATERING SOLUTION

Design e qualità contraddistinguono gli eleganti ed infrangibili articoli ideali per ogni professionista del settore HORECA, della pasticceria e gelateria.

Realizzati da Martellato con materiale di alta qualità che gli conferisce oltre alla resistenza anche lucidità e trasparenza, sono prodotti in Italia e rappresentano la più valida alternativa al vetro.

Rispettano l'ambiente due volte: grazie al materiale di alta qualità con il quale sono prodotti, i piattini per individual dessert - così come tutti i gli articoli della linea Elegant Catering Solution - possono essere riutilizzati più volte. E una volta gettati, sono riciclabili al 100%.

Design and quality characterize the elegant and unbreakable items ideals for HORECA professionalist, pastry chef and ice cream maker. Made by Martellato with high quality material that gives it not only resistance but also gloss and perfect transparency. Produced in Italy are the best alternative to glass.

They respect the environment twice: thanks to the high quality material with which they are made, the plates for individual desserts - like all the items of the Elegant Catering Solution line - can be reused several times. And once disposed, they are 100% recyclable.
